

## Press Release

October 2022

### **The Grand Hotel Zermatterhof has been certified as “TOP-Training Company”**

In October 2022, the Grand Hotel Zermatterhof successfully reached the first level of the support system as a TOP Training Company. The company is now certified as a "TOP Training Company", which identifies companies that are particularly committed to training young people.

Finding suitable trainees and training them properly is a challenge faced by many companies these days. Today's apprenticeship trainers not only have to be technically up to date and impart knowledge, but also act as a reference person for the learners requiring the appropriate social skills.

In order to be even better prepared for this task in the future, the Grand Hotel Zermatterhof successfully completed the first level of the support system of the TOP Ausbildungsbetrieb foundation. On the one hand, the Grand Hotel Zermatterhof receives specifically applicable knowledge and training materials for the training of apprentices, on the other hand, it is officially awarded and certified as a "TOP training company". This certification serves as a visible sign of quality across all sectors to help young people in making decisions when looking for an apprenticeship.

The foundation TOP-Ausbildungsbetrieb (TAB) is a national support and award system that contributes to the attractiveness of commercial occupations. TAB supports companies from all sectors in increasing the quality of their training and awards the label to companies that are particularly committed to training young people.

The Zermatterhof with its 69 rooms and suites is a member of Swiss Deluxe Hotels, Preferred Hotels & Resorts and Historic Hotels of the World. The Zermatterhof offers the Restaurant «Alpine Gourmet Prato Borni» with 1 Michelin star and 16 GaultMillau points, the «Brasserie Lusi» with 13 GaultMillau points and the restaurant «saycheese!» with local cheese delicacies. The winter season lasts from 9<sup>th</sup> December to 16<sup>th</sup> April 2022.
